Civil Action No. 07-284-GMS

NOTICE OF DEFICIENT RECORD

Petitioner, Steven W. Krafchick, in (Pro-se) capacity moves this Honorable Court to request the Delaware Superior Court to file a complete and accurate record of the petitioner's first post-conviction motion. Accordingly to the filing of the records in the above action, the Superior Court has possibly failed to file the petitioner's (MEMORANDUM OF LAW IN SUPPORT OF RULE 61 MOTION FOR POST-CONVICTION RELIEF).

In the notice of filing State court records filed by the Defendant's it fails to record or present the petitioner's memorandum of law in support of rule 61 motion for post-conviction relief, this is pivotal to the petitioner's case. The Defendants by the way of the District Attorneys Office has insisted that the petitioner failed to follow certain state procedures and further states that certain claims were not presented in the proper state courts therefore barring Federal relief.

Under 1 b. Motion for Post-conviction Relief (Dkt Item 58) it fails to mention the petitioner's memorandum of law in support of rule 61 motion for post-conviction relief.

WHEREFORE, the petitioner in this case respectfully awaits this Courts response before filing any reply brief, to unsure that this Court has all the relevant motions before it.
